

STEP ONE: LET'S MEET!

*To begin the process,
let's meet up for a complimentary consultation!*

We'll grab a coffee or a cocktail and we'll learn from you what you want, expect, need, and desire from your short-term rental, and together, we'll make sure that MSC understands your goals so that we can customize a plan to deliver exactly that and more for you.

At this meeting, here's what you'll learn about / get from us...

1. A detailed account of exactly what we do and the services we provide
2. An outline of options for you to choose from
3. Our cost breakdown and fee structure
4. Real-life examples of other short-term rentals that we represent
5. A candid discussion about your profitability, risks, rewards, & compliance
6. Answers to as many questions as you want to ask!

After this meeting, if you decide that we are the right choice for you, we begin customizing a plan and we'll set a date to meet at your property.
